🎯 CAREER OBJECTIVE

Dedicated Computer Science Engineering student (3rd semester completed) with growing knowledge of programming fundamentals, data structures, and problem-solving. Seeking learning-oriented opportunities through coding programs like Flipkart Girls Wanna Code to strengthen technical skills and gain industry exposure.

🎓 EDUCATION

Bachelor of Technology (B.Tech)

Computer Science Engineering (Core)

Noida Institute of Engineering and Technology

Year: 2024 – 2028

Senior Secondary (Class XII)

Board: *CBSE*

Year: 2024

💻 TECHNICAL SKILLS

- Programming Languages: C
- Data Structures: Arrays, Strings, Basic Linked List concepts
- Programming Concepts: Variables, If-Else, Loops, Functions
- Problem Solving: Beginner-level DSA and logical problems

ACADEMIC PROJECTS / PRACTICE

- Solved beginner to intermediate programming problems as part of coursework
- Practiced coding questions focusing on logic building and DSA fundamentals
- Familiar with time complexity basics taught in college

LEARNING & INTERESTS

- Data Analysis and Software Development
- Coding contests, hackathons, and women-centric tech initiatives
- Continuous learning through online platforms

ACHIEVEMENTS / ACTIVITIES

- Active learner in Computer Science fundamentals
- Participated in college-level academic and technical activities
- Interested in women-centric tech initiatives and coding programs

SOFT SKILLS

- Willingness to Learn
- Problem-Solving Mindset
- Consistency
- Time Management
- Teamwork
